STUDENT ACCOMMODATION AT BOND ACADEMY

Bond Academy believes in an integrated approach to a student's educational experience while studying in Toronto. When parents make the important decision to enroll their sons or daughters at Bond, we believe that assistance in arranging the most appropriate accommodation is one of the most important services that we can provide.

Students have three options for accommodation at Bond:

Student Residence

Bond Academy has a student residence located beside the school.

Features of the residence include:

- furnished shared room
- a television and kitchen area for a late night snack
- 19 meals per week at the school
- residence supervisors
- open during school holidays
- for students 18 years of age and older.

Important Note:

There are specific arrival and departure dates for students in residence. Early admission to the residence and late departure is subject to availability.

Home-stay

A Home-stay Coordinator is available to students who need assistance in finding a Canadian family for their home-stay.

Home-stay features vary according to each home:

- private room, shared room
- meals
- access to telephone for local calls
- English speaking family.

Private Arrangement

Some families have friends or relatives in Toronto and can arrange for students to stay with them.

Bond Academy cannot assume the responsibility of supervision or guardianship under these circumstances.
