

Dear Parent(s)/Guardian(s):

I am updating you on the success of our Haitian Fundraising last week. The Montessori Programs, with generous donations of baked items from staff and Montessori Parents, held bake sales on Thursday and Friday. As well, on Friday, we held a Dress Down day, for both the Elementary and Secondary Schools. I am pleased to report the following donations to Red Cross on behalf of the families of Bond Academy. An acknowledgment and thank you to the Secondary School's Prom Committee and the Social Issues Club, for coordinating the strong participation of the Secondary school students.

Bake Sale (Hosted by our Montessori classes) - \$1068.44

Dress Down Day for the entire school (Elementary and Secondary) - \$1544

Personal Cheque (PARENT) - \$500

Personal Cheque (STAFF) -\$ 30

Personal Cheque (STAFF) - \$25

Red Cross received a total donation of \$3167.44, which will be matched by the Federal Government.

In addition we have two ongoing fundraising ventures. A group of Grade 7 students are selling cookies after school and at lunch time for the remainder of this week. Our Grade 8's are also selling and taking orders for their Cookie in a Jar. I will update you on the success of those efforts.

Thank you for your tremendous support and generosity.

Sincerely,

John Healey
